

The Bible

Part One: Why the Bible?!

Why the Bible?

Without a self-disclosure by God mankind would not know the extent to who God was, the nature of his own plight and that plight's consequences; nor could man find out the solution to this plight, how he might experience that solution, and the way in which said solution fits into the ultimate plan of God.

- I. The Existence of God
 - A. The Need for an Existential Self-disclosure of God
 - The Abode and Nature of God/The Abode and Nature of Man
 - B. The Provision of an Existential Self-disclosure of God
 - General Revelation and Its Impact
- II. The Salvation of Man
 - A. The Need for a Redemptive Self-disclosure of God
 - The Problem of the World and Mankind
 - B. The Provision of a Redemptive Self-disclosure of God
 - Special Revelation and Its Impact
 - Special Revelation and Its Composition
